

Interruptible Storage Service (ISS) and Parking and Lending Service (PAL). The proposed tariff changes will create an interactive auction whereby interested shippers will be able to bid on ISS and PAL capacity and thus, will provide a more efficient process and greater price transparency to Koch's customers. Koch states that any PAL and ISS transaction beginning in future months will be included in the new auction process, however, any transaction involving the cash market will not be included.

Koch states that copies of this filing have been served upon Koch's customers, state commissions and other interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. #### MultiFuels Marketing Company; Notice of Issuance of Order

July 3, 2000.

MultiFuels Marketing Company (MultiFuels) submitted for filing a rate schedule under which MultiFuels will engage in wholesale electric power and energy transactions as a marketer. MultiFuels also requested waiver of various Commission regulations. In particular, MultiFuels requested that the Commission grant blanket approval under 18 CFR Part 34 of all future

issuances of securities and assumptions of liability by MultiFuels.

On June 27, 2000, pursuant to delegated authority, the Director, Division of Corporate Applications, Office of Markets, Tariffs, and Rates, granted requests for blanket approval under Part 34, subject to the following:

Within thirty days of the date of the order, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by MultiFuels should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214).

Absent a request for hearing within this period, MultiFuels is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful objective within the corporate purposes of MultiFuels, and compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of MultiFuels issuances of securities or assumptions of liability.

Notice is hereby given that the deadline for filing motions to intervene or protests, as set forth above, is July 27, 2000.

Copies of the full text of the Order are available from the Commission's Public Reference Branch, 888 First Street, N.E., Washington, D.C. 20426. The Order may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

#### Reliant Energy Gas Transmission Company; Notice of Request Under Blanket Authorization

July 3, 2000.

Take notice that on June 29, 2000, Reliant Energy Gas Transmission

Company (REGT), 111 Louisiana Street, Houston, Texas 77002-5231, filed a request with the Commission in Docket No. CP00-398-000, pursuant to Section 157.205, 157.211 and/or 157.216(b) of the Commission's Regulations under the Natural Gas Act (NGA) for authorization to abandon certain facilities in Arkansas authorized in blanket certificates issued in Docket Nos. CP82-384-000 and CP82-384-001, all as more fully set forth in the request on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

REGT proposes to abandon Line KM-50, in its entirety, in Union County, Arkansas. REGT proposes to sell and transfer this line at net book value to Reliant Energy Arkla, a distribution division of Reliant Energy Incorporated (Arkla). Arkla will operate this segment of line as part of its low pressure distribution system. Net book value of this 2-inch line is \$6,418.

Any person or the Commission's staff may, within 45 days after the Commission has issued this notice, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the NGA (18 CFR 157.205) a protest to the request. If no protest is filed within the allowed time, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the NGA.
